

PX™ 15.17 200

Palletized Freight and Cargo X-ray System

Security & Detection Systems

Designed for air cargo screening and suitable for many other applications, L-3's PX 15.17 200 delivers superior image performance and penetration. With a tunnel opening 1.5M wide and 1.7M high, this single-view system vastly reduces the number of skids and pallets* that need to be unpacked, boosting screening efficiency while maintaining the highest levels of security.

Powerful Screening, Streamlined Operations

L-3's 200 kVp X-ray source delivers superior penetration and image quality, while a purpose-built design improves efficiency.

- High-energy scanning, real-time image manipulation and an innovative push-button operator interface promote rapid screening
- A low-height, heavy-duty conveyor with narrow pitch rollers facilitates easy loading and unloading of pallets via a forklift
- Networking facilitates a remote suspect screening station and supervisor workstation

Ideal for Diverse Screening Goals and Settings

By reducing the need for unpacking, the PX 15.17 200 makes it easier to confirm shipment contents, detect tampering and facilitate secure storage.

- Facilitates efficient detection of explosives, weapons, drugs, or misrepresented goods
- Meets the exacting standards of air cargo and is also suitable for seaports, warehouses, manufacturing centers and military bases
- Adapts to your needs with configurable powered entry and exit conveyors and optional roller tables
- Presents operator instructions in multiple languages

Faster Clearing, Greater Accuracy

With comprehensive information and flexible controls, operators can clear cargo and freight efficiently and effectively.

- Dual-energy material discrimination improves threat detection
- Threat Image Projection (TIP) feature periodically inserts fictitious threat images, enabling supervisors to train screeners and assess effectiveness
- The Operator Assist® (OA) feature highlights target material

Outstanding Service and Support

Recognized worldwide for our commitment to customer service, L-3 fields one of the industry's largest and most experienced global service teams. We offer a full spectrum of services to help you reap maximum value from your investment while maintaining robust, effective and efficient operations.
